Gentlemen:

I have a fine collection of French, English
and Swedish gold and silver coins
to which I am constantly making
additions.

I believe that your society has
published a number of pamphlets
and articles dealing with coins
and coin collecting.

I should be very pleased to
receive your catalogue of these
publications.

Very sincerely yours.

Director of the School of Art

Norman, Oklahoma.

Dear Mr. Jacobson:

We have your letter of May 28th
and take pleasure in enclosing a list of our Num-
ismatic Notes and Monographs, as you requested.

Would you care to consider an
invitation to become an associate member of our
Society. The dues are but \$5.00 annually, and as
partial return you would receive the monographs
published during the year, which usually total
more than this amount. We should be very glad to
have your signature to the accompanying card if
you care to consider this invitation favorably.

Very truly yours,

SN:JG
